## Fastness information:

The fastness properties stated on the shade card were determined with 1/3 SD dyeing on bleached cotton. Exceptions are the black dyes which were tested at 2 %.

Fastness to light	ISO 105-B02
Fastness to washing 40 °C	ISO 105-C06
Fastness to water	ISO 105-E01
Fastness to perspiration	ISO 105-E04
