

Combo Heat press machine

YXD combo heat press machine 8 in 1

Product Description

Including:	YXD-D88	38*38cm(15*15)
	YXD-DA3	33*43cm(13*17)
	YXD-D8	29*38cm(12*15)
	YXD-D8mini	15*20cm (6*8")

5.5-7.5cm,7.5-9.5cm for common mugs,
11OZ,17OZ for conical mugs;
8",10" for plates
8*15cm for caps

Specifications:

Voltage: 110V/60HZ, 220V-230V/50HZ

Power:1000W /1250W/1500W

Time:0-999sec T

emperature:0-250°C/0-399°F

Weight:25KG/32KG/34KG/35KG

Package: Standard packaging: Double carton with foam inside

Delivery: 3-7 days according to the quantity

Payment: T/T(Can accept 30% deposit and 70% balance before shipping)

Western Union

Paypal

Shipment: 1.DHL/FEDEX/UPS/TNT/EMS/ARAMEX

2.Ocean shipping(Shenzhen port)

3. Air way

Main Feature

- Solid steel welded framework
- Digital Temperature & Time Control

- Automatic Alarm
- Baked with Teflon coating

Multifunctional swing away Heat Press for T-shirt, Mugs, Plates, Cap

Devise futures:

1. Apply to unique micro process control system and touch control panel;
