Rangpreet fabrics are suitable for both mass production and premium collections.

How We Work – Our Process

1. Fabric Planning

- Understanding market trends
- Selecting suitable base fabrics
- Planning designs, prints & finishes

2. Manufacturing & Processing

- Weaving / sourcing base fabric
- Printing, dyeing, embroidery & finishing
- Use of modern machinery and skilled labor

Quality Control Process

Quality is a top priority at Rangpreet.

Our QC process includes:

- Raw material inspection
- Color fastness checks
- Fabric strength & texture testing
- Finish & defect inspection

Only fabrics meeting our quality standards are approved for dispatch.

Order & Supply Process

HOW WE HANDLE ORDERS

- Enquiry & requirement discussion
- Fabric selection & sampling (if required)
- Price finalization & MOQ confirmation
- Bulk production & packing
- Timely dispatch & delivery

WE ENSURE CONSISTENT SUPPLY AND ON-TIME DELIVERY.

Our Strengths

- Wide range of fashion fabrics
