

INTRODUCTION

TRANSPOL IMPEX PVT LTD

INDIA

ABOUT

Transpol Impex is recognised as one of the highly reputed apparel sourcing company based in India, providing client services for past 15 years. We provide apparel-allied accessory services and have rich experience in the field of exports from India. We have a strong network of vendors and in-house expertise for initial sampling and pattern making. We manage an end to end sourcing service and a reliable framework that helps us deliver consistently and accurately. Our sourcing includes apparels for women, men, kids and babies. The company is specialised in proto developments, sampling, production, quality inspections, timely deliveries and shipping logistics.

THE PHILOSOPHY

Our major goal is to make business out of India a most pleasurable and profitable experience. We are driven by the maximum of achieving the desired quality level at competitive prices. We work leveraging on all available resources to control wastage and improve the efficiency. We inherit the customer needs and upgrade ourselves to the ever-changing trends. The whole concept is to provide the overseas buyer a one-stop buying office in India.

OUR STRENGTH

We work on hi-fashion garments with value additions like embroideries, appliqués, ethnic and exquisite hand works. We subsume complicated and competitive styles in small and large volumes.
